March 7, 2020 members, representing twelve (12) Lodges, gathered at El Dorado, KS were in attendance during last year's training program. Last year's outlined program was presented through the use of a Power-Point and online material. This enhanced version was well received by attendees and was felt to aid in the overall presentation of the various subject matters discussed. The State Association paid for the meal and associated costs of the day's event. Our goal is to provide a relaxed atmosphere for teaching and learning, lunch and accommodations for the attendees will be provided.

Please plan on attending this year's training session. It is a valuable experience for new officers and a good refresher for all.
